ARE YOU PASSIONATE ABOUT NETBALL, INTERESTED IN MAKING A DIFFERENCE & INFLUENCING POSITIVE CHANGE WITHIN THE REGION? IS SO, WE WOULD LOVE TO HEAR FROM YOU.

England Netball has embarked on an exciting journey, having activated its ambitious 10-year Adventure Strategy driven by a single purpose; ***'To lead a movement on and beyond the court. To uphold an unapologetical focus on women and girls whilst opening the game for new audiences to belong, flourish and soar.'*** As a regional netball association, Netball East is passionate about this strategy & is very keen to make a positive contribution to the future development of Netball in the East region. It is an exciting time to volunteer in netball as we seek to re-imagine the delivery of the game, aligned to the National Strategy together with key partners, to build a stronger alliance that grows the game in the East – ***to lead a movement in the East on and beyond the court.*** Collectively, we want the East to be a safe, fair, inclusive and fun environment to engage with netball.

In order to support and achieve this, we need to recruit a number of volunteers to our team so if you are motivated and inspired to be part of our team and want to join us on this adventure, we would love to hear from you.

COACHING LEAD

To establish & lead a coaching technical support group to work with England Netball and London Mavericks to develop, co-ordinate and activate a program of Coach Education & Development CPD opportunities to meet member needs and expectations.
The Coaching Lead will be a member of the Regional Management Board. Key responsibilities are:

- To co-ordinate with partners to deliver an insight driven programme of coach education & development to provide coaches with an ability to access ongoing CPD opportunities.
- Work with partners including England Netball, London Mavericks and Active Partnerships to understand the development needs of the coaches at all levels within the region.
- Collectively develop an affordable and accessible programme of CPD that meets the specified member needs and expectations.
- Work with the Chair of the Young Leaders Group to enable more young people to access coaching opportunities and become better coaches
- Actively participate in the work of the Regional Management Board

You will ideally need to have a strong interest in and understanding of coach education and development, be an experienced sports coach or coach mentor, be a self-starter with an ability to think creatively and make things happen, be an excellent communicator with good networking skills, have good computer skills, and be a team player with a real passion for netball. An understanding of the netball landscape within the East Region is desirable but not essential.

Commitment
This will vary across the year, but will average at an estimated 6-10 hours per month including attendance at virtual RMB meetings, the AGM, the annual One Awards, plus any virtual England Netball Coaching Lead meetings, and appropriate competitions and events.
This is an elected voluntary role with an initial term of up to three years with the option to stand for re-election for a further two three-year terms.

*If you would like to express an interest in this role please email Nasem Khan, Regional Officer (**nasem.khan@englandnetball.co.uk**) with your name, contact details, the role you are interested in, a brief summary of your current engagement with netball & a short personal biography illustrating your skills and experiences relevant to the role you are interested in, as well as a short personal statement confirming your motivations for applying for the role and how you feel you can make a difference.*

The closing date for all expressions of interest is Friday 30th October 2026.
