

PEOPLE AND PROGRAMMES LEAD

Purpose:

To actively contribute to the management and development of grassroots netball across the East Region through the leadership of the People and Programmes strategic priorities.

Responsibilities:

1. Strategic leadership of the People and Programmes strategic priorities ensuring the delivery of exceptional member and participant experiences.
2. Chair all Regional People and Programming Group meetings ensuring high standards of governance, management and collaboration.
3. Support the development and delivery of an impactful long-term plan for the region aligned to the 10-year Adventure Strategy.
4. Develop effective working relationships appropriate to the People and Programmes strategic priority to support the development of a thriving collective aligned to a common purpose.
5. To represent the region at appropriate meetings with England Netball, the NSL franchise and other relevant stakeholders as required.

Competencies:

1. Excellent leadership, management, problem solving & decision making.
2. Ability to think and act strategically and progressively.
3. Strong communication and organisation skills.
4. An understanding and appreciation of grassroots netball.
5. A dynamic, reliable and flexible team player.
